This Form Is Required For Each CD-AUDIO PROJECT

The Customer must fill out a description of the Disc's content, including track numbers, titles, artist recording track, and running time.

CD-AUDIO project encoding information (be sure to check all that apply):

- ☐ **Master is encoded with CD-TEXT**
- ☐ **Master is encoded as HDCD**
- ☐ **Master is Enhanced (ROM + Digital Audio Format) (also attach CDCAPCP-042)**

Note: If you've used one of these - you'll know. If you haven't, skip this

NOTE: If applicable, you must indicate "ENHANCED" on your MASTER.
